Experience

Landa Trip

Founder - Aug 2022 - Present · 8 mos

Landa Trip is an innovative start-up company that creates, promotes, and runs useful educational courses for all interested people and businesses. These courses have a wide range of soft to hard and academic skills. These courses hold in many countries and are selected among the best institute and lecturers in each field. Now I have the role of web developer and product manager in this great international platform with an expert and creative team. We hope to make a better world for everyone like to know more and change his future.

Melale International Educational Complex

Senior Web developer - Sept 2021 - Present · 1 yr 7 mos

As a Senior Web Developer at Melale Educational International Complex, I have led numerous projects, including the successful Pech Pech. This multimedia and online learning platform was designed specifically for international students to learn Persian languages more efficiently.

In addition to my project management experience, I have also played a key role in designing and implementing numerous websites of this institute. Furthermore, I have served as a web development instructor for multiple courses, sharing my expertise in PHP, JS, HTML, CSS, and other programming languages with students. It has been a rewarding experience to contribute to the growth and success of Melale through my web development skills.

Be Persia Travel Agency

Web developer - Dec 2019 - Aug 2021 · 1 yrs 9 mos

BePersia Travel is a Tours and Travel Company based in Isfahan, Iran, specializing in offering high-quality travel services through extensive knowledge, personalized service, and competitive rates. With more than 25 years of trustworthy experience in the tourism industry, especially in the organization and successful implementation of Iran tour packages.

Ista Saze Atra

CEO - Dec 2013 - Nov 2019 · 6 yrs

Ista Saze Atra is a unique building company that offers a complete range of services from design and engineering to construction and material supply. With a rich history in the construction industry, we are proud to be the sole producer of concrete Acotec wall panels in Iran. Our innovative product is not only the fastest but also the most energy-efficient solution for construction, helping our clients to save both time and money while reducing their carbon footprint.
